Portions proposed to be amended are shown against the Rules flagged B to B.

It is possible to interpret the old rules to mean that private practitioners may examine proposers for insurance, and perhaps to avoid such incorrect interpretations the present amendments are proposed. The great period of experience of the medical officer for granting a certificate of good health in respect of lapsed policies has also been reduced.

SIR,

In forwarding herewith a copy of Resolution No.III passed at the meeting of the Insurance Committee held on 7-6-1937, regarding the amendment of sub para 2 of Rule 19 and Rule 26, I have the honour to request that sanction of Government may kindly be obtained for the adoption of the said amendment. The necessity for the proposed amendment is explained in the Office notes dated 9-10-1936 and 6-5-1937, copies of which and a copy of the rules as they would stand after amendment are herein enclosed for kind reference.

I have the honour to be,
Sir,
Your most obedient servant,

G Madhava Rao

For SECRETARY,
INSURANCE COMMITTEE.

Office note dated 9-10-1936, regarding amending Rule 26 in the matter of grant of detailed medical certificates for the revival of lapsed policies.

While under Rule 19, Assistant Surgeons, Medical Graduates of three years' standing and Sub-Assistant Surgeons of five years' standing are allowed to examine in detail insurance proposals in cases where the monthly premium proposed is Rs.5 or less, only Medical Graduates of not less than three years' standing are competent to issue detailed medical certificates for revival of lapsed policies under the existing Rule 26. To remove this anomaly and to provide facilities to the insured persons who, in many cases, are subject to unnecessary trouble and expense in getting detailed medical certificates from Medical Graduates only, Rule 26 is proposed to be amended so as to permit the following medical officers to issue detailed medical certificates for the revival of policies;-

(1) An Assistant Surgeon or a Medical Graduate of any University of not less than three years' standing, irrespective of the amount of premium;

(2) Or a Sub-Assistant Surgeon of not less than five years' standing in cases where the monthly premium is Rs.5 or less.

Circulated among the Members of the Committee. This subject is on the agenda of the next meeting.

This note together with your opinion, may, if possible, be returned to this Office before the date of the next meeting.

Sd/- M.S.N. SASTRY,
For Secretary,
Insurance Committee.

22/4/37.

Office note dated 6-5-1937.

On consideration it was resolved as under by the Committee on 14th November 1936:

> "Resolved that Rule 19 may be suitably amended according to the Senior Surgeon's opinion, and reference made to this Rule in Rule 26."

There seems to have been a slight misunderstanding of the position in arriving at the resolution for the following

reason:-

The intention was not to change Rule 19 except to replace the words "Medical Graduates of three years' standing" with the words "Medical Probationers of three years' service in the Medical Department". As explained at 'A' above, what was intended and approved of by the Senior Surgeon was the broadening of the provision of Rule 26 in regard to the issue of detailed medical certificates as suggested at 'B' overleaf.

In these circumstances, it is for consideration if the resolution dated 14-11-1936 may be corrected as under:

(1) In Rule 19, the words "Medical Graduates of three years' standing" may be changed to "Medical Probationers of three years' service in the Medical Department."

(2) In Rule 26, "Assistant Surgeons or Medical Probationers of not less than three years' service in the Medical Department may be authorised to issue detailed medical certificates irrespective of the amount of premium and where monthly premium is Rs.5 or less, a Sub-Assistant Surgeon of not less than five years' standing may issue a detailed medical certificate."

The subject is on the agenda of the next meeting.

Rule 19, sub para 2.

Assistant Surgeons, Medical Probationers of three years' service and Sub-Assistant Surgeons of five years' service in the Medical Department are allowed to examine insurance proposals in cases wherein the monthly premium proposed is Rs.5/- or less. If there should be more than one officer competent to carry out the examination in any place, the examination has to be conducted by the senior-most of such officers.

Draft amendment to Rule 26.

When an insured who has ceased to be in the service of Government, elects under Rule 10, to continue to pay premium till his policy matures, he may be allowed by the Secretary to pay such premium monthly, quarterly, half-yearly, or yearly into any treasury of the Mysore Government. Likewise, an insured officer of the Mysore Government who is transferred to Foreign Service under Article 363 of the Mysore Service Regulations, may be permitted to pay his premium quarterly, half-yearly, or yearly provided he communicates his election to do so within three months from the date of such transfer (otherwise he will be taken to have agreed to pay the premium monthly). A grace of 15 days shall be allowed when the premium is payable monthly and a grace of one month when it is paid otherwise.

If the insured fails to pay the premium within the days of grace, he may be allowed to pay it within six months from the date of default on production of a declaration of good health signed by the insured before the Magistrate, or the Chairman of Village Panchayat, or an Officer of Mysore State drawing not less than Rs.50, or the Official Superior of the insured if he is in foreign service, or a Sub-Registrar of assurances.

If the period of lapse is more than six months but less than one year, the lapsed policy can be revived on production of an ordinary medical certificate obtained from either a Surgeon, an Assistant Surgeon, or a Medical Probationer of not less than three years' service, or a Sub-Assistant Surgeon of not less than five years' service in the Medical Department.

If it exceeds one year but not two years, a detailed medical certificate may be obtained from either a Surgeon, an Assistant Surgeon, or a Medical Probationer of not less than three years' service in the Medical Department. In cases where the monthly premium in respect of the lapsed policy or

P.T.O.

policies is Rs.5 or less, a Sub-Assistant Surgeon of not less than five years' service in the Medical Department may also issue detailed medical certificates under this Rule.

In all cases, the arrears together with interest at 6¼ per cent. per annum shall be paid, failing which the payment of the premium shall be deemed to have been discontinued, and the insured who has ceased to be in service shall be permitted to obtain a paid-up policy or surrender value, and an insured transferred to foreign service only a paid-up policy, as prescribed in Rule 10.

Insurance Committee.
